Thank you. I don't have any additional comments.

Best,
Amanda

Amanda-

Attached is the revised Hanover Foods report and photo log. We typically don't include rain data in our WWTP inspection boiler plate. We usually use that info for a frame of reference on periods of wet and dry weather for stormwater inspections. Please let me know if you have any questions or additional revisions.

Ingrid,

Attached are the comments on the inspection report for Hanover Foods for PG Environmental's consideration.

Best,
Amanda

Shane and Amanda-

Attached, please find the Hanover Foods inspection report and associated appendices. Once you have a chance to review, let me know if you have any questions or revisions.
